

Module-01

(Introduction)

Hello Everyone, My name is Rakesh Dangar, i done Diploma mechanical and i have experience in that but last year i decided to learn Frontend Development course so i joined Tops Technology and complted my course. I want say i cummunicate people well and try to understand their needs and other things too. so basically i want to do job in I.T. field and doing my best in that. My hobbies are like watching Movies, read books, and doing acting also. Thank you.
